22-23 Parent and Family Engagement Plan

Date Revised with Parent Input: 5/10/22

District Approved: 6-27-22

The Parent and Family Engagement Plan (PFEP) must be jointly developed with parents and must be distributed to parents in an understandable and uniform format, and in the language parents can understand. It must be made available for the community and updated periodically to meet the changing needs of the parents and the school. [Section 1116(b)].

1. POLICY INVOLVEMENT

A. By what means will the school conduct a Title I Annual Meeting (convened at a convenient time, to which all parents are invited and encouraged to attend) to inform parents of their school's participation in Title I, the requirements of Title I, and the right of parents to be involved [Section 1116(c)(1)]?

The Annual Meeting information will be provided via powerpoint by Bay District Schools and presented to parents in September and February. The information will also be distributed across multiple platforms, such as Smores, e-mail, FaceBook, and flyers posted on school information boards to all parents to review the requirements of the law.

B. By what means will the school involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of the PFEP [Section 1116(c)(3)]?

All parents are given the opportunity to complete a paper or on-line Title I Spring Parent Survey. The results of the survey are tallied and shared with the faculty for their thoughts on ways to improve our PFEP for next year. The school's governing board serves as the SAC and an evaluation of the current PFEP is conducted during one of the meetings. Based on the evaluation and survey results, revisions to the plan are made for the next school year and placed on the school's website. The plan will be reviewed during meetings throughout the year to make revisions according to the changing needs of parents and the school..

C. By what means will the school involve parents in the joint development of the School Improvement Plan [Section 1116(c)(3)]?

Once the FSA results are released, the school's governing board, composed of parents, community members, teachers, administrators, and staff will meet to update the School Improvement Plan based on available data (FSA/EOCs/MAP/Attendance/Behavior). All members, including the governing board are encouraged and provided the opportunity to give input. The Comprehensive Needs Assessment will be reviewed.

D. By what means will the school provide parents opportunities, if requested, for regular meetings to formulate suggestions and to participate, as appropriate, in making decisions relating to the education

of their children, and respond to any such suggestions as soon as practicably possible [Section 1116(c)(4)(C)]?

Parents will be given opportunities for suggestions by completing evaluation forms at parenting events, IEP meetings, 504 meetings, ESOL meetings, parent-teacher conferences, and parent surveys.
